Fort Worth Independent School District
123 S.S. Dillow Elementary School
2023-2024 Improvement Plan
Accountability Rating: C
Mission Statement

Create a learning environment that promotes academic and social success in college, career, and beyond.

Vision

To empower our students to be critical thinkers, life-long learners and leaders in their community.
Comprehensive Needs Assessment

Revised/Approved: June 13, 2023

Demographics

Demographics Summary

S.S. Dillow is an Elementary School which is part of Fort Worth ISD and opened in 1937. With approximately 409 students, S.S. Dillow Elementary School is a neighborhood school without bus transportation and educates students in grades Pre-K 3 through 5th grade.

S.S. Dillow is located in the 76105 zip code in Fort Worth. More than 98% of students at S.S. Dillow are economically disadvantaged. 100% of S.S. Dillow students qualify for free lunch. Our campus is high transit with many of our students leaving S.S. Dillow at some point between the grade levels of Pre-K to 5.

We provide regular programming, one-way dual language, ESL, gifted and talented, and inclusion special education classes.

Our staff is diverse in terms of years of experience and race/ethnicity.

Student Attendance: 93.17%

Demographics Strengths

- We provide multiple resources to support the economic needs of students and families including: free breakfast and lunch for all students, Chromebook for all students,
- and school supplies, school uniforms, winter coats, etc. to those in need. We also provide an after school program with dinner to students in grades 3-5.
- We have one PreK 3 class offered for students who qualify through district requirements.
- We have several SEL supports in place to assist students including: a full-time certified counselor and All Stars student mentor.
- We offer after school enrichment opportunities such as cheerleading.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): The demographics of S.S. Dillow Elementary School continue to increase enrollment of Hispanic from 69.9% (in 2018) to 76.5% (in 2022) requiring a shift in training teachers on additional instructional strategies for English Learners. Root Cause: Students are more transit due to many of the properties in the community being rental properties.

Problem Statement 2: The student enrollment of S.S. Dillow Elementary School has continued to decline from 536 (in 2019) to 408 (in 2023) requiring the campus to lose teachers and support staff. Root Cause: There has been an increase in Charter Schools opening with the most recent only 2.4 miles away from our campus giving parents more options to enroll their students.
Student Learning

Student Learning Summary

Our STAAR data from the spring of 2022 showed growth from the STAAR data from the spring of 2021. We increased in the subjects of reading and math. We have analyzed the STAAR data and the number of students not passing as well as not scored.

Students in kindergarten through 5th grade were assessed using NWEA MAP. As a campus, S.S. Dillow Elementary reached projected growth in the area of math in grades 3 and 4 based on MOY MAP data. Students in grades Kindergarten and 5 made projected growth in the area of English reading based on MOY MAP data. Our campus data points directly to math in grades K-2 as an area where we need to focus.

Through many observations and various pieces of data, it is evident that math is an area of concern. A major focus on our campus this school year and going forward will be lower grade levels in both math and literacy instruction.

Our campus believes by targeting math and literacy instruction with an emphasis on lower grade level literacy, we can improve our campus rating gradually each school year.

MAP Growth:

- 41% of S.S. Dillow K-5 students met their expected growth from BOY to MOY in math compared to the average of 40% of district students.
- 40% of S.S. Dillow K-5 students met their expected growth from BOY to MOY in English Reading compared to the average of 42% of district students.
- 47% of S.S. Dillow K-5 students met their expected growth from BOY to MOY in Spanish Reading compared to the average of 47% of district students.

Pre-K Circle Data:

- 95% of English tested students are On-Track with Phonological Awareness skills.
• 79% of Spanish tested students are On-Track with Phonological Awareness skills.
• 89% of English tested students are On-Track with Math skills.
• 93% of Spanish tested students are On-Track with Math skills.

Kindergarten Data:
• 11% of English tested students are On-Track with Math skills.
• 26% of Spanish tested students are On-Track with Math skills.
• 78% of English tested students are On-Track with Vocabulary skills.
• 78% of Spanish tested students are On-Track with Vocabulary skills.

Student Learning Strengths
• Based on the MAP Growth data, S.S. Dillow students are performing at or above the district level in all subjects.
• Students in Pre-K are out performing the district in Circle Phonological Awareness Skills
• Students in Pre-K are out performing the district in Circle Math Skills.
• Through observations and PLCs it is evident that our Pre-K has a strong focus on literacy and math.
• STAAR Reading in all grades increased in the amount of students in approaches, meets, and masters categories.
• Students in Kindergarten are consistently increasing in English vocabulary skills.
• Students in Kindergarten are consistently increasing in Spanish vocabulary skills.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): Kindergarten students decreased in their TX-KEA Math assessment performance from 52% (English in 2021) to 11% (English in 2022) and 87% (Spanish in 2021) to 26% (Spanish in 2021). Root Cause: A new math curriculum was introduced in 2022 and more times needs to be spent on analyzing TEKS, student data, and misconceptions.

Problem Statement 2 (Prioritized): Students in 1st grade taking the MAP test in Spanish Literacy, are not showing as much observed growth as students taking the MAP test in English Literacy. English observed growth is 20 RIT points compared to 15 RIT points in Spanish. Root Cause: Overtime, our campus has increased in our dual language program requiring a need for reading interventions in Spanish. Currently, our support for reading interventions are only in English.
School Processes & Programs

School Processes & Programs Summary

Lesson planning at S.S. Dillow follows the FWISD scope and sequence, curriculum, and resources as well as the FWISD lesson plan framework. Daily lesson plan expectations include: the state TEKS, learning objective(s), ELPS, language objective(s), aligned activities and formative assessment(s) to ensure students mastered the TEKS aligned learning objective(s).

The instructional focus at S.S. Dillow is high-quality tier 1 instruction. Within the framework of tier 1 instruction, our campus is prioritizing modeling and checking for understanding during instruction. Improvement with modeling will provide students with a deeper understanding of how to understand the standard being taught. It will also give students an example to refer back to when working collaboratively and independently. Checking for understanding is also an important focus as it will provide teachers with a view of where students are so that they can monitor and adjust instruction as needed. It also will support teachers with knowing exactly where students are with the understanding of the TEKS so that they can provide additional support as needed.

PLC has been a place where the work has begun with improving high-quality tier 1 instruction. Our meetings have grown in structure with a strong emphasis on lesson alignment, formative assessments, and exit tickets. Exit tickets and assessments are then reviewed at our Data Analysis Meetings to find student misconceptions. We have also used data from MAP, formative assessments and benchmarks to help guide instruction. Teachers are learning and understanding more about the impact of lesson alignment and data and how it drive instruction. The instructional leadership team has been working closely and in classrooms daily to support teachers. The team meets weekly to address what was observed in classrooms to refine our plan and approach on how we support and grow teachers.

Programs:

- Our campus helps to provide school supplies, school uniforms, etc. to those in need. We also provide an after school program with dinner to students in grades 3-5.
- We have a Pre-K 3 class that is offered for students who qualify through the district.
- We have several SEL supports in place to assist students including a counselor and a Restorative Practices Specialist.

School Processes & Programs Strengths

- Collaboration and culture are two areas where we have shown growth as a campus.
- Our campus has focused more on the whole child and teacher with emphasis on Restorative Practices.
- We positively recognize teachers and students monthly for their achievements.
- Teachers receive praise during staff meetings, weekly newsletters, a special email, PLCs, and during face to face conversations.
- Students are rewarded based on teacher nomination each month.
- Students are rewarded by their teachers and staff with incentives.

Problem Statements Identifying School Processes & Programs Needs
**Problem Statement 1 (Prioritized):** The campus has begun the use of Restorative Practices, however, classroom and campus observations do not indicate consistency with implementation to encourage appropriate student behavior.  
**Root Cause:** Restorative Practices has been a practice on campus for one year. Teachers need continuous training and modeling by campus leadership.

**Problem Statement 2:** The campus has consistently been having PLCs every week, however, many teachers do not see value in meeting for PLC and have not bought in to the process.  
**Root Cause:** The purpose with a structured plan for PLCs has not been rolled out. Leadership needs to develop a strong purpose and plan to share with the staff.
Perceptions

Perceptions Summary

S.S Dillow Elementary his growing it's culture and climate as it pertains to students and staff. Working together is a key component of what we do at S.S. Dillow on a daily basis. That primarily comes in the form of collaboration. Teachers collaborate to plan, create lessons, and share ideas. Students collaborate during instruction to share their thinking and support their classmates.

Our staff is working on prioritizing SEL and making sure students not only receive the education they need but that they are taken care of socially and emotionally. Teachers hold class meetings where students discuss and share experiences and concerns. Our guidance counselor conducts weekly class meetings where students learn how to be better students, be better people, share their thoughts and feelings, how to problem solve, and how to seek help when needed.

S.S. Dillow Elementary is student centered with everything we do being centered around what is best for students. We evaluate our students needs and work together on how to provide. Most needs are met through instruction but our teachers and staff also dig deeper to know students and what they may need outside of instruction as well. Our teachers and staff communicate with parents weekly. Home visits, supports and supplies are offered to those families in need.

As a campus, our discipline concerns have taken a deep decline as we have begun implementing Restorative Practices. Students feel more comfortable and safe in school. We have incorporated more interaction opportunities between instructional programs that has helped with student referrals.

Perceptions Strengths

- The culture at S.S. Dillow is strong and continues to grow.
- Through daily positive interactions, celebration of teachers and students achievement and prioritizing caring for and respecting others.
- Teachers and staff care about and prioritize the whole child.
- Our campus centers all of what we do about what is best for students.
- Our teachers put student learning first by staying after school for tutoring, teaching Saturday Learning Quest, and Summer School.

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): Restorative Practices continues to be in the beginning stages and is needed to build campus relationships. **Root Cause:** More training on Restorative Practices is needed to improve building relationships. Teachers have been focused on learning two new curriculums this school year so they have not been able to consistently implement Restorative Practices.

Problem Statement 2: Teachers roll out procedures and routines at the beginning of the year, however, student culture has not been a priority and remained constant. **Root Cause:** Principal has not established core values with the staff or provided professional development on expectations for student culture.
Priority Problem Statements

**Problem Statement 1**: The demographics of S.S. Dillow Elementary School continue to increase enrollment of Hispanic from 69.9% (in 2018) to 76.5% (in 2022) requiring a shift in training teachers on additional instructional strategies for English Learners.

**Root Cause 1**: Students are more transit due to many of the properties in the community being rental properties.

**Problem Statement 1 Areas**: Demographics

**Problem Statement 2**: Kindergarten students decreased in their TX-KEA Math assessment performance from 52% (English in 2021) to 11% (English in 2022) and 87% (Spanish in 2021) to 26% (Spanish in 2021).

**Root Cause 2**: A new math curriculum was introduced in 2022 and more times needs to be spent on analyzing TEKS, student data, and misconceptions.

**Problem Statement 2 Areas**: Student Learning

**Problem Statement 3**: The campus has begun the use of Restorative Practices, however, classroom and campus observations do not indicate consistency with implementation to encourage appropriate student behavior.

**Root Cause 3**: Restorative Practices has been a practice on campus for one year. Teachers need continuous training and modeling by campus leadership.

**Problem Statement 3 Areas**: School Processes & Programs

**Problem Statement 4**: Restorative Practices continues to be in the beginning stages and is needed to build campus relationships.

**Root Cause 4**: More training on Restorative Practices is needed to improve building relationships. Teachers have been focused on learning two new curriculums this school year so they have not been able to consistently implement Restorative Practices.

**Problem Statement 4 Areas**: Perceptions

**Problem Statement 5**: Students in 1st grade taking the MAP test in Spanish Literacy, are not showing as much observed growth as students taking the MAP test in English Literacy. English observed growth is 20 RIT points compared to 15 RIT points in Spanish.

**Root Cause 5**: Overtime, our campus has increased in our dual language program requiring a need for reading interventions in Spanish. Currently, our support for reading interventions are only in English.

**Problem Statement 5 Areas**: Student Learning
Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

**Improvement Planning Data**
- District goals
- Campus goals
- HB3 Reading and math goals for PreK-3
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

**Accountability Data**
- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations
- Federal Report Card and accountability data
- RDA data
- Local Accountability Systems (LAS) data

**Student Data: Assessments**
- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR released test questions
- STAAR Emergent Bilingual (EB) progress measure data
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Student failure and/or retention rates
- Local diagnostic reading assessment data
- Local benchmark or common assessments data
- Observation Survey results
- Texas approved Prekindergarten and Kindergarten assessment data
- Other PreK - 2nd grade assessment data
- State-developed online interim assessments
- Grades that measure student performance based on the TEKS

**Student Data: Student Groups**
- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
• Economically disadvantaged / Non-economically disadvantaged performance and participation data
• Male / Female performance, progress, and participation data
• Special education/non-special education population including discipline, progress and participation data
• Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
• At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
• Emergent Bilingual (EB) /non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.
• Section 504 data
• Homeless data
• Gifted and talented data
• Dyslexia data
• Response to Intervention (RtI) student achievement data

**Student Data: Behavior and Other Indicators**

• Attendance data
• Discipline records
• Violence and/or violence prevention records
• Class size averages by grade and subject
• School safety data
• Enrollment trends

**Employee Data**

• Professional learning communities (PLC) data
• Staff surveys and/or other feedback
• Teacher/Student Ratio
• Campus department and/or faculty meeting discussions and data
• Professional development needs assessment data
• Evaluation(s) of professional development implementation and impact
• T-TESS data

**Parent/Community Data**

• Parent engagement rate

**Support Systems and Other Data**

• Organizational structure data
• Processes and procedures for teaching and learning, including program implementation
• Communications data
• Capacity and resources data
• Budgets/entitlements and expenditures data
• Study of best practices
• Action research results
• Other additional data
District Goals

Revised/Approved: June 28, 2023

**District Goal 1:** Increase the percentage of 3rd grade students who score at meets grade level or above on STAAR Reading from 34% to 47% by August 2024.

**School Performance Objective 1:**
*Increase the percentage of PK students who score On Track on Circle Phonological Awareness in English from 97.3% to 99% by May 2024.*

*Increase the percentage of PK students who score On Track on Circle Phonological Awareness in Spanish from 96.3% to 99% by May 2024.*

*Increase the percentage of PK Emergent Bilingual/English Learner students who score On Track on Circle Phonological Awareness in English from 92.3% to 99% by May 2024.

**High Priority**

**Evaluation Data Sources:** CLI

**Strategy 1:** Improve the quality and alignment of Tier 1 instruction for all students through the use of the Amplify Unit and Lesson Internalization process and the FWISD Instructional Framework process to ensure explicit monitoring, adjustment of instruction, check for understanding, and rigorous instruction is occurring daily.

**Strategy's Expected Result/Impact:** Our campus will increase students ready to learn the fundamentals of reading in PK4 and Kindergarten.

**Staff Responsible for Monitoring:** Principal
Assistant Principal
Instructional Coach

**Title I:**
2.4, 2.5, 2.6

- **TEA Priorities:**
  Build a foundation of reading and math, Improve low-performing schools

- **ESF Levers:**

### School Performance Objective 1 Problem Statements:

#### Demographics

**Problem Statement 1:** The demographics of S.S. Dillow Elementary School continue to increase enrollment of Hispanic from 69.9% (in 2018) to 76.5% (in 2022) requiring a shift in training teachers on additional instructional strategies for English Learners.  **Root Cause:** Students are more transit due to many of the properties in the community being rental properties.

#### Student Learning

**Problem Statement 1:** Kindergarten students decreased in their TX-KEA Math assessment performance from 52% (English in 2021) to 11% (English in 2022) and 87% (Spanish in 2021) to 26% (Spanish in 2021).  **Root Cause:** A new math curriculum was introduced in 2022 and more times needs to be spent on analyzing TEKS, student data, and misconceptions.
District Goal 2: Increase the percentage of 3rd grade students who score at meets grade level or above on STAAR Mathematics from 34% to 45% by August 2024.

School Performance Objective 2: * Increase the percentage of Kindergarten - Grade 5 students who Meet or Exceed projected growth on MAP Growth Math from 51% to 60% by May 2024.
* Increase the percentage of Kindergarten - Grade 5 African American students who Meet or Exceed projected growth on MAP Growth Math from 40% to 50% by May 2024.

  High Priority

  Evaluation Data Sources: MAP Growth

Strategy 1: Improve Tier 1 Math instruction using Eureka Math to focus on math fluency and concept attainment by utilizing FWISD PLC, Instructional, Math and Literacy Frameworks to increase achievement and learning outcomes by developing systems that explicitly monitor, adjust, and check for understanding at a rigorous level during the instructional process.

  Strategy's Expected Result/Impact: Our campus will increase the percentage of Kindergarten- Grade 5 who meet of exceed growth on MAP Growth Math.

  Staff Responsible for Monitoring: Principal
  Assistant Principal
  Instructional Coach

Title I:
2.4, 2.5, 2.6
- TEA Priorities:
  Build a foundation of reading and math, Improve low-performing schools
- ESF Levers:
  Lever 4: High-Quality Instructional Materials and Assessments, Lever 5: Effective Instruction
- Targeted Support Strategy

Problem Statements: Demographics 1 - Student Learning 1
**Action Step 1 Details**

**Action Step 1:** Instructional Leadership Team supports teachers in developing rigorous lessons which meet the needs of all students by ensuring that planning artifacts (lesson plans, know/show charts, etc.) include differentiation which plans for both scaffolds and enrichment in each day's lesson.

School Performance Objective 1 Problem Statements:

**School Processes & Programs**

**Problem Statement 1:** The campus has begun the use of Restorative Practices, however, classroom and campus observations do not indicate consistency with implementation to encourage appropriate student behavior. **Root Cause:** Restorative Practices has been a practice on campus for one year. Teachers need continuous training and modeling by campus leadership.

**Perceptions**

**Problem Statement 1:** Restorative Practices continues to be in the beginning stages and is needed to build campus relationships. **Root Cause:** More training on Restorative Practices is needed to improve building relationships. Teachers have been focused on learning two new curriculums this school year so they have not been able to consistently implement Restorative Practices.
District Goal 4: Ensure all students have access to a safe, supportive and culturally responsive learning environment.

School Performance Objective 2: *Decrease the percentage of out-of-school suspensions for African American students that are disproportionately referred for disciplinary action from 10.6% to 2.5% by May 2024.*
*Decrease the number of discretionary referrals for African American students from 6 to 2.*
