**FORT WORTH ISD MISSION:**
PREPARING **ALL** STUDENTS FOR SUCCESS IN COLLEGE, CAREER, AND COMMUNITY LEADERSHIP.
Over the past two decades, Fort Worth ISD has made some school boundary adjustments in response to enrollment changes and facility needs. Extensive boundary changes have not occurred since 1999.

This has resulted in broken feeder patterns in areas all over the district. Students may attend elementary together and split between two different middle schools and return to the same high school or they may attend middle school together and then split to three different high schools.

Fort Worth ISD is committed to a core system of high-quality public neighborhood schools complemented by high-quality public schools of choice. Aligned feeder patterns strengthen our ability to provide academic program continuity for student cohorts, build community (School Spirit), and proactively anticipate future needs. Although school transition pathways alone do not determine academic and socio-emotional development, pure feeder patterns are the least disruptive to students’ academic and social stability.
The Board of Trustees approved the creation of a Facility Master Plan (FMP) in 2015. The Guiding Principles of the FMP were established to support the District’s mission of preparing all students for success in college, career and community leadership. The Principles provide ongoing direction and assistance in prioritizing work and clarifying important decisions.

The following Principles of the FMP provide the premise for pyramid alignment and boundary/attendance zone changes:

1.1 Instruction Drives Construction
1.2 Academic Adequacy & Functional Equity in School Facilities
1.5 Extra and Co-curricular Adequacy Support
1.6 **Optimal Asset Utilization**
1.7 Protection and Management of Financial Investment
1.9 Community Engagement

**Optimal Asset Utilization**

The following “Scope of Work” types are associated:

- New School Buildings and Facilities
- New School Sites (Land)
- Conversion/Repurposing of Existing School Facilities
- Realignment of School Attendance Boundaries
Timeline | Board Approved Changes | Grade Levels
--- | --- | ---
Fall 2020 | 1. Boundary – Brae rezone Meacham MS/Diamond Hill HS section to Riverside MS/Carter-Riverside HS | 6 - 12
Timeline | Board Approved Changes | Grade Levels
--- | --- | ---
Fall 2020 | Program – Como Montessori Choice Zones Policy Update | K - 8
