TOPIC: APPROVE BOARD OF EDUCATION MEETING MINUTES

BACKGROUND:

The Open Meetings Act (the “Act”) was adopted in 1967 with the sole intent of making governmental decision-making accessible to the public. (It was codified without substantive change as Government Code Chapter 551.) The “Act” requires meetings of governmental bodies (school district board of trustees) to be open to the public, except for expressly authorized closed sessions, and to be preceded by public notice of the time, place and subject matter of the meeting.

Section 551.021 of the Texas Government Code states that (a) A governmental body shall prepare and keep minutes of each open meeting of the body with the minutes containing the subject of each deliberation and indicating action taken on each vote, order or decision. Section 551.022 provides that the minutes are public records and shall be available for public inspection and copying on request to the governmental body’s chief administrative officer or designee.

In order to maintain compliance with Chapter 551 of the Texas Government Code and the Texas Open Meetings Act, the Board must approve each set of minutes presented. Upon approval, the minutes can then be made available to the public as an official record of a given meeting.

STRATEGIC GOAL:

2 - Improve Operational Effectiveness and Efficiency

ALTERNATIVES:

1. Approve Board of Education Meeting Minutes
2. Decline to Approve Board of Education Meeting Minutes
3. Remand to staff for further study

The purchase of the consultant, insurance, equipment, supplies, and competition entry fees are necessary for the continuation of the North Central Texas Aerial Robotics STEM Initiative.

TOPIC: APPROVE PURCHASE OF LITERACY LEARNING SYSTEMS SOFTWARE AND TRAINING

BACKGROUND:

Fort Worth ISD (FWISD) student performance in literacy falls below both state and national averages and has become stagnant over the last four years. The average State of Texas Assessments of Academic Readiness (STAAR) scores on literacy exams from 2016-2019 reveal a 30-point performance gap between Black and White students and an 18-point gap between White and Latinx students. Current reading interventions implemented at middle schools have not yielded an increase in reading achievement on STAAR literacy exams for at-risk readers. Current data from low performing elementary campuses reveal the need for an intensive, foundational reading skills intervention. The purchase approved on October 20, 2020, covered all middle schools, elementary campuses with an F rating, and four Continuity grant campuses. FWISD has partnered with Read Fort Worth to purchase the literacy learning systems software and training for eleven additional elementary campuses.

STRATEGIC GOAL:

1 - Increase Student Achievement

ALTERNATIVES:

1. Approve Purchase of Literacy Learning Systems Software and Training

RATIONALE:

The software is a complement to existing literacy programs in use in the District. The programs reinforce skill gaps struggling readers possess including: phonological awareness, structural analysis, phonics, and fluency. The software also provides a robust grammar and guided comprehension piece to support struggling readers. Student performance data is collected and organized into user-friendly reports which allows teachers to target reading skills students are struggling to master. The robust bank of teacher resources includes explicit and detailed lesson plans for teachers to follow and deliver to students.

TOPIC: APPROVE ACT COLLEGE AND CAREER READINESS MASTER SERVICES AGREEMENT

BACKGROUND:

Fort Worth ISD annually administers national assessments to assist students with college and career planning. The District concentrates on curriculum-based examinations that match with Texas education standards and can provide helpful information for all students. The assessments the District utilizes are the leading college readiness assessments in the United States as it is based on what students learn in high school. Colleges and universities routinely use the results as a part of entrance requirements. Shifts in education and the workplace are changing how educators must think about college and career readiness. ACT offers a holistic framework to help educators navigate these shifts for understanding education, work readiness, and achieving success for all students. The ACT standards describe essential skills and knowledge students need to become ready for college and career, giving clear meaning to test scores and serving as a link between what students have learned and what they are ready to learn next. ACT is also the only national college admission exam to measure science skills and provide a STEM score, which gives more of our learners the ability to capture what they know.

In studying campus and network level data, listening to campus teachers and staff, as well as a comprehensive analysis of our current needs, there exists a gap in the quality of materials, resources and instruction for our English Language Learners and Dual Language Enrichment learners. For this reason, we are proposing this professional learning plan to address this inequity in our system. 2020 - 2021 Bilingual Professional Learning Summary

The Leadership Academy Network is committed to the growth and acceleration of all scholars in our network of schools. Our diverse student population deserves quality, top tier instruction that meets the learning needs of all students. The unique partnership between Fort Worth ISD and Texas Wesleyan University allows for opportunities to educate, support, and engage our 6 campuses in professional learning that will contribute to our student’s achievement.

In studying campus and network level data, listening to campus teachers and staff, as well as a comprehensive analysis of our current needs, there exists a gap in the quality of materials, resources, and instruction for our English Language Learners and Dual Language Enrichment learners. 2020 has provided our team with challenging circumstances, and because of this we have decided to conduct our bilingual professional learning event in the most innovative and fiscally responsible manner. Utilizing funds we received in October 2020 from the Charter School Planning Grant from TEA, which must be spent by February 28, 2021, we have been aggressively planning this Bilingual program.

Given the current climate, aggressive timeline, and need to standardize our academic initiatives, we have committed to an initiative that utilizes the expertise of both LAN and Texas Wesleyan University staff. By doing so we are meeting the direct needs of our students through the implementation of current learning models and strategies, while leveraging our current talent pool of faculty and staff. Finding a team of subject matter experts during the pandemic in an already atypical academic year, staying within our budget for this very specialized programming, all while meeting the strict requirements of the grant, proved extremely challenging in our initial planning stages.

It is our intention that the outcomes of this initiative serve as a model for other districts/Charter Schools, and that the Leadership Academy Network and Texas Wesleyan University are recognized as leaders in Dual Language Enrichment.

FINDINGS APPROVING THE AGREEMENT
RENEWAL FOR TAX COLLECTION SERVICES WITH
LINEBARGER GOGGAN BLAIR & SAMPSON, LLP

After having provided adequate notice as required by Section 2254.1036 of the Texas Government Code, the approval of the Agreement for Tax Collection Services (“Agreement”) renewal with Linebarger Goggan Blair & Sampson, LLP is approved and the President of the Board of Education of the Fort Worth Independent School District is authorized to execute the Agreement.

After exercising its due diligence, the Fort Worth Independent School District (“District”) Board of Education finds that:

1. There is a substantial need for the legal services to be provided pursuant to the Agreement;

2. These legal services cannot be adequately performed by the attorneys and supporting personnel of the District at a reasonable cost;

3. These legal services cannot reasonably be obtained from attorneys in private practice under an agreement providing only for the payment of hourly fees, without regard to the outcome of the matter, because of the nature of delinquent tax penalties provided by Texas Tax Code Sections 6.30, 33.07, 33.08, 33.11, and 33.48 and because the District does not have the funds to pay the estimated amounts required under an agreement only for the payment of hourly fees;

4. Linebarger Goggan Blair & Sampson, LLP, is well qualified and competent to perform the legal services required to comply with the terms of this Agreement;

5. Linebarger Goggan Blair & Sampson, LLP has provided these specialized legal services to the District for ten (10) years with professionalism and exceptional service. Additionally, many nearby school districts and other taxing entities have relied on the collection expertise of the Linebarger law firm for forty-three (43) years. Those entities have been satisfied with the quality and outcome of the legal services provided.

6. The approval of this Agreement with Linebarger Goggan Blair & Sampson, LLP is the result of an arm’s length transaction between the District and Linebarger Goggan Blair & Sampson, LLP and is fair and reasonable.

EXHIBIT A. DESCRIPTION OF TCHAT T PROJECT

Vision Statement
Every child receiving public education in the State of Texas has access to school-based crisis prevention, intervention, and stabilization.

Definition of TCHAT T
The TCHAT T initiative is designed to provide short-term (approximately up to two months) school-based access to up to four (4) visits per academic year with a mental health professional for high-risk children and adolescents.

The role of TCHAT T is the initial intervention and assessment of these students and referral, if necessary. TCHAT T funds may not be used for ongoing management of the student’s mental health needs.

Key Components of a Successful TCHAT T Program

- Telemedicine or telehealth – TCHAT T Programs should leverage the use of technology to ensure prompt access to a mental health professional. Technology should be located at both the originating site in the school and at the location of the mental health professional.

- Identify mental health needs – Schools should be trained/educated on how to identify children who may have need for TCHAT T services. This initial identification may be done by a variety of school personnel, including teachers, counselors, nurses, or school administrators. The goal is to quickly identify a child who is experiencing a mental health challenge.

- Assess mental health needs – TCHAT T Programs must use a mental health professional (LPC, CAP, etc.) to provide an appropriate assessment of the mental health needs of the child who is identified and referred by school personnel.

- Provide access to mental health services – Utilizing technology, a TCHAT T Program will provide initial mental health services to an identified child. These services should include a diagnostic evaluation and up to four (4) total visits per academic year with a behavioral health professional with primary goals of assessment and stabilization. The duration of these services should not exceed two (2) months. If ongoing care is needed, the child should be referred to a separately funded resource (e.g., public or private insurance, indigent-funded services) for longer term care using one of the strategies outlined above.

- Prioritize needs of at-risk children and adolescents – TCHAT T Programs should have a triage system for prompt review of school referral and appropriate triage of symptom severity.

January 26, 2021

TOPIC: APPROVE 2021-2022 TRADITIONAL SCHOOL CALENDAR AND THE 2021-2022 EARLY COLLEGE HIGH SCHOOL CALENDAR

BACKGROUND:
Fort Worth ISD Board of Trustees approve school calendars developed with input from District stakeholders including the District Advisory Committee (DAC) and District Employee Relations Council (DERC) on an annual basis. The recommended 2021-2022 Traditional School Calendar and the 2021-2022 Early College High School Calendar meet the 75,600 minutes’ state requirement. These calendars are designed to meet the instructional needs of the students in our schools. Testing dates, staff days, holidays, snow days, fall, winter, and spring breaks were considered and discussed when developing the calendars.

STRATEGIC GOAL:
1 - Increase Student Achievement

ALTERNATIVES:
1. Approve 2021-2022 Traditional School Calendar and the 2021-2022 Early College High School Calendar
2. Decline to Approve 2021-2022 Traditional School Calendar and the 2021-2022 Early College High School Calendar
3. Remand to staff for further study

CONSENT AGENDA ITEM
BOARD MEETING
January 26, 2021

TOPIC: APPROVE FIRST READING-REVISIONS TO BOARD POLICIES CQ(LOCAL), CQB(LOCAL), AND ELA(LOCAL)

BACKGROUND:
The Texas Association of School Boards (TASB) assists school districts by ensuring proper standards are met in regards to state and federal guidelines by supporting and navigating through policy and regulation updates and changes. School districts with localized policy manuals receive several major updates per year called numbered updates. They are called “numbered updates” because they are numbered sequentially. These updates respond to changes in state and federal law, court cases, and decisions by the Attorney General and by the Commissioner of Education. In numbered updates TASB only makes recommendations where the District’s local policies are concerned. District personnel updates policies incorporating TASB’s recommendations and/or the needs of the District. The Board of Trustees always has the final say regarding which policies go in the manual.

STRATEGIC GOAL:
2 - Improve Operational Effectiveness and Efficiency

ALTERNATIVES:
1. Approve First Reading-Revisions to Board Policies CQ(LOCAL), CQB(LOCAL) and ELA(LOCAL)
2. Decline to Approve First Reading-Revisions to Board Policies CQ(LOCAL), CQB(LOCAL), and ELA(LOCAL)
3. Remand to staff for further study

**RATIONALE:**

The approval of this policy will update the language as recommended by TASB and/or District personnel.

**INFORMATION SOURCE:**

Karen Molinar
CQ(LOCAL) TECHNOLOGY RESOURCES

Rationale:
Provisions on security breaches have been moved to CQB(LOCAL) where the corresponding legal authority is now coded.

The District's locally developed provisions on technology equipment have been moved to CQC where the corresponding legal authority is now coded. This is TASB's standard version with a change from 'acceptable' use to 'responsible' use and a limited personal use addition (#4).

Please note that because BJA(LOCAL) permits the Superintendent to delegate responsibilities to other employees, we have removed language referring to the Superintendent's designee throughout.

Annotations are shown as follows.

- **Deletions** are shown in a red strike-through font: deleted-text.
- **Additions** are shown in a blue, bold font: new text.
- Blocks of text that have been moved without alteration are shown in green, with double underline and double strike-through formatting to distinguish the text's destination from its origin: moved text becomes moved text.
- **Revision bars** appear in the right margin, as above.
Note: For Board member use of District technology resources, see BBI. For student use of personal electronic devices, see FNCE.

For purposes of this policy, “technology resources” means electronic communication systems and electronic equipment.

8. Failure of the District to obtain the benefits of Education Code 11.174 and 48.2511, if applicable.

The Board’s decision whether to revoke a campus charter shall be based on the best interests of the students, including a decision by the commissioner of education to extend an exemption from a sanction or other action under Education Code 11.174(g); the severity of the violation; applicable law; and any previous violation committed by the campus charter.

Procedure

In the event of an indication or allegation that may warrant campus charter revocation, the District shall take the following steps:

1. The Superintendent shall investigate the allegations and hold a conference with the chief operating officer and governing body of the campus charter to discuss the allegations.

2. If the Superintendent determines that a violation or mismanagement has occurred, the chief operating officer of the campus charter shall respond to the allegation at the next regularly scheduled Board meeting.

3. The Board shall hear the presentation and take action, if necessary, to revoke the campus charter. If the board decides to revoke the campus charter, it must provide an opportunity for a public hearing as required by law.

In the event of a health or safety concern, the Board may immediately suspend campus operations before revocation takes effect.

Notification

If the Board decides to revoke a charter performance contract, the Board shall notify the campus charter of the action in writing. The notice shall include the reasons for the revocation and the effective date of the revocation, which shall be no later than the end of the current school year or may be effective immediately in the event of a health or safety concern.
Upon the expiration of a charter performance contract, the Board may renew the contract for up to an additional ten-year term. In accordance with law, the Board shall renew a charter performance contract only if the Board finds that the campus charter has substantially fulfilled its obligations and met the performance standards in the contract and applicable law.

The Board shall consider the following, in addition to other factors specified in the charter performance contract:

1. Multiple years and measures of performance against the performance standards and expectations established in the charter performance contract and applicable law;
2. Financial audits;
3. Performance and compliance reports, including site visit reports, if applicable; and
4. The campus charter’s performance on corrective action plans or other required interventions, if necessary.

The District shall publish the renewal application process, including the renewal criteria and timelines.

As part of the renewal application process, the District may provide each campus charter, in advance of the renewal decision, a cumulative report that summarizes the campus charter’s performance record over the contract term and states the District’s summative findings concerning the campus’s performance and its prospects for renewal.

The Board may choose not to renew a charter performance contract for any of the following reasons:

1. Failure to meet student performance standards or other obligations in the charter performance contract;
2. Failure to meet generally accepted accounting standards for fiscal management;
3. Violation of any provision of the contract or applicable state or federal law; or
4. Other reason as determined by the Board.

If the Board decides not to renew a contract, the Board shall notify the campus charter of the action in writing no later than the last Friday in January during the final year of the charter performance contract. The notice shall include the reasons for the action and the effective date of the campus charter closure, which shall be no later than the end of the current school year.
Closure Protocol

The Board shall develop a detailed campus closure protocol to apply if the Board decides not to renew or to revoke a charter performance contract and close the campus. The protocol shall ensure timely notification to parents including assistance in finding new placements; orderly transition of student records to the District; and disposition of campus funds, property, and assets in accordance with law. In the event of closing any campus charter, the District shall oversee and work with the campus charter’s governing board and leadership to carry out the closure protocol.
CONSENT AGENDA ITEM  
BOARD MEETING  
January 26, 2021  

TOPIC: APPROVE SCHOOL DISTRICT TEACHING PERMIT FOR NON-CORE CTE COURSES  

BACKGROUND:  
The Texas Education Agency provides a provision in the Texas Education Code (§21.055) that allows districts to issue a School District teaching permit without approval of the Commissioner of Education for "non-core academic career and technical education (CTE) courses" beginning January 27, 2021 (TEC §21.055 d-1). Currently, certified Law Enforcement teachers are difficult to find; however, we have an experienced law enforcement applicant who otherwise qualifies for the position. This request is for the Board to exercise its option to issue a District teaching permit to allow us to hire Kenneth Sam into a current vacant teaching position at Eastern Hills High School. In addition, certified Health Science Technology teachers are also difficult to find; however, we have an experienced applicant, Emily Conger, who otherwise qualifies for the vacant Health Science Technology position at O. D. Wyatt High School and Trimble Tech. This request is also for the Board to exercise its option to issue a District teaching permit to allow us to hire for the Health Science Technology vacant position.  

STRATEGIC GOAL:  
1 - Increase Student Achievement  

ALTERNATIVES:  
1. Approve School District Teaching Permit for Non-Core CTE Courses  
2. Decline to Approve School District Teaching Permit for Non-CTE Core Courses  
3. Remand to staff for further study  

SUPERINTENDENT'S RECOMMENDATION:  
Approve School District Teaching Permit for Non-Core CTE Courses

Anael Luebanos, Secretary  
Board of Education  
Fort Worth Independent School District
TOPIC: APPROVE RESOLUTION AND ORDER FOR ELECTION SERVICES FOR THE MAY 1, 2021 FORT WORTH ISD BOARD OF EDUCATION ELECTION

BACKGROUND:

In past elections the school district has contracted with the Tarrant County Elections Administration to oversee the assignment of polling sites, election equipment, judges, clerks, as well as the training of appropriate personnel, and other associated services. This has proven to be cost effective as well as more efficient than administering the election in-house.

Other entities or another entity will be sharing the May 1st election date including Tarrant County. This will lower the cost of what Fort Worth ISD normally would pay for the administration of the election for Districts One, Four, Seven, Eight and Nine.

STRATEGIC GOAL:

2 - Improve Operational Effectiveness and Efficiency

ALTERNATIVES:

The Facility Master Plan Committee of the Fort Worth Independent School District held a meeting on January 10, 2020 in the Board Conference Room.

The Following Were Present:
Tobi Jackson      David Saenz      Clint Bond
Kent Scribner    Raul Pena        Mike Naughton
Art Cavazos      Barbara Griffith  Tiffany Rogers
Cherie Washington Carl Alfred      Molly Hyry

1. CALL TO ORDER:
Tobi Jackson called the meeting to order at 9:40 a.m.

Minutes from the October 4 and December 6, 2019 Facility Master Plan meetings were reviewed and approved.

2. DISCUSSION ITEMS:
Census in Each School – Occupancy vs. Student Enrollment by Campus (Presented by Mike Naughton)

High Schools:
- District’s comprehensive high school sites average 30 acres. They range from low of 11 to 58 acres.
- Most schools are land locked.
- Average square feet of high schools are 220,000. With bond program renovations, square footage will increase up to 260,000.
- Renovations will generally not increase student capacity at most high schools, but will accommodate collaborative learning, provide larger common areas and allow for elbow room.
- Exception to capacity is South Hills High School, where renovations will allow for more student enrollment.

Middle Schools:
- Most of District’s middle schools average 130 square feet per capacity.
- Recently built middle schools will average 190 square feet per capacity.
- Next bond will concentrate on middle schools and some high need elementary schools.
- Schools will have collaborative space, flexible furniture.
- Size of many classrooms would increase from less than 750 square feet to 900 square feet.

Elementary Schools:
- Schools have average capacity of 104 square feet.
- Newer campuses like J.T. White, Rosemont and Westpark have 125 square feet capacity.
- Any new construction will follow that criteria.
Review Enrollment for Choice Programs and Schools (presented by David Saenz):
  • Enrollment trends indicate students and parents are choosing schools rather than programs.
  • Discussion of programs offered and what attracts students.
    o Law enforcement and firefighter programs suggested.
    o Local law enforcement and firefighters have been willing to partner in the past.
  • Applications for Choice Programs for coming school year dropped from 5,369 to 5175.
    o Drop in applications is less than expected after reduction in programming at elementary and middle schools.
    o Students have not been assigned for 2020-2021.
    o Enrollment trends are expected to continue.
  • Need to replicate great programs and provide students with options.
  • Redesign middle schools; need options for pathways.
  • New pyramids with Choice opportunities will help design the next bond.
  • Great programs with CTE proving don’t have to be connected with a Program of Choice to be a great program.

Overview of Timelines (presented by Mike Naughton):
  • Success HS needs to be relocated for next school year
  • Sixth Grade Center – Pair Glencrest 6th with Forest Oak MS.
    o Schools will physically remain in current buildings until new bond is passed to build.
  • P3 Draft was overviewed.
    o Various options presented to accommodate vacating central administration and District’s buildings in the area, along with PDC, Farrington, Lowery Rd, Wichita, Magnolia and Boulevard Heights.

3. Comments:
  • Pre-K enrollment starts April 1, 2020.
    o Tanglewood and new Overton Park will offer Pre-K as both campuses will now have room to accommodate program.
  • February 7th meeting cancelled; next meeting is March 6th.

4. Adjourn:
   Meeting was adjourned at 10:52 a.m.

TARRANT COUNTY LOCAL WORKFORCE DEVELOPMENT BOARD

FORT WORTH INDEPENDENT SCHOOL DISTRICT

Executive Director

Dr. Kent Scribner
Superintendent, Fort Worth ISD

12-15-2020

Date
TOPIC: APPROVE RESOLUTION OF THE FORT WORTH INDEPENDENT SCHOOL DISTRICT BOARD OF TRUSTEES GRANTING EMPLOYEES ADDITIONAL PAID LEAVE DUE TO THE COVID-19 PANDEMIC

BACKGROUND:

On March 13, 2020, the President of the United States declared a national emergency regarding the spread of the coronavirus (hereafter, “COVID-19”). The United States Congress subsequently passed the Families First Coronavirus Response Act (“FFCRA”) requiring certain employers to provide their employees with paid sick leave or expanded family medical leave for specific reasons related to COVID-19. The FFCRA, effective April 1, 2020, expired on December 31, 2020.

Tarrant County continues to see increases in the number of positive COVID-19 tests and in deaths related to COVID-19. Given the area statistics, it is inevitable that our District population’s experience will mirror that of the communities we serve. It is in the District’s interest to provide a level of financial stability for employees who, by the nature of their jobs, may be exposed to or diagnosed with COVID-19.

Accordingly, the proposed resolution provides the Board the opportunity to authorize continuation of a modified version of the Emergency Paid Sick Leave provision of the FFCRA providing additional paid leave to Qualifying Employees who are unable to report to work or telework due to their own COVID-19 illness or the need to quarantine as a result of direct exposure to someone who has tested positive for COVID-19.

STRATEGIC GOAL:

2 - Improve Operational Effectiveness and Efficiency

ALTERNATIVES:

1. Approve Resolution of the Fort Worth Independent School District Board of Trustees Granting Employees Additional Paid Leave Due to the COVID-19 Pandemic
2. Decline to Approve Resolution of the Fort Worth Independent School District Board of Trustees Granting Employees Additional Paid Leave Due to the COVID-19 Pandemic
3. Remand to staff for further study
SUPERINTENDENT’S RECOMMENDATION:

Approve Resolution of the Board of Trustees of the Fort Worth Independent School District to grant additional leave for employees who are unable to report to work or telework due to their own illness or the need to quarantine as a result of direct exposure to someone who has tested positive for COVID-19.

**COST:**

During the period from inception of the FFCRA requirement to provide leave time through December 31, 2020, the District incurred approximately $620,000 in costs. While the future costs are unknown, it would be reasonable to assume that the costs for the remainder of the 2020-2021 school year would be similar to those incurred through December 31, 2020.
