

Mentor Program

Our Mentor Program is a 3-tier mentoring system that targets the professional development and campus connections of new teachers/staff members, as well as, the social and academic growth of students.

Tier I

- New Faculty and Staff will be partnered with a faculty or staff leader
- Mentoring teams will meet periodically during the new team members first year
- Professional Development and connection plans will be based on Mentee, ISD and IHE needs

Tier II

- Faculty members will be partnered with academically struggling students
- Mentoring teams will meet periodically during the current school year
- Intervention plans will be based on mentee needs

Tier III

- New 9th and 10th grade students will be paired with selected 10th and 11th grade mentors
- Mentor teams will meet periodically during the current school year for purposeful programming
- Programming will promote Campus/IHE protocols and resources as well as provide social supports
