VOLUNTEERS MAKE A DIFFERENCE

Student success comes from a high quality education. You can be part of that success by supporting our students through volunteering.

Fort Worth ISD has a diverse student population of more than 86,000 students enrolled in schools across the city. Our volunteers also come from all walks of life. They may be members of a group that has a school partnership; parents or grandparents of children in school; or individuals who want to give back to the community.

Volunteers can be tutors, mentors and volunteer readers; provide clerical and office assistance to campuses; assist with special events; and participate in parent and community organizations.

EVERYONE BENEFITS FROM VOLUNTEERING

VOLUNTEERS. Volunteering feels good! Each year more than 10,000 volunteers donate nearly 200,000 hours of time to our students in FWISD. When you join our team of volunteers you will meet new people and make new friends. Volunteering also helps you practice or renew your special talents and skills as you share them with staff and students.

STUDENTS. Research shows that young people benefit from having positive adult role models in their lives. When you volunteer, you show students you believe in them and want them to succeed.

PARENTS. When parents volunteer they show their children they believe in the importance of an education. Parents who volunteer in school have more opportunities to get to know their child's teachers.

SCHOOL. A caring school climate is important to student success. Volunteers can help the staff make school a positive, productive experience for students.

COMMUNITY. Volunteering connects you to your community to make it a better place. Fort Worth's future depends on an educated workforce. By volunteering in our schools, you will see and experience firsthand the amazing students and staff in our school district.

HOW TO VOLUNTEER

Getting started is easy. Whether you volunteer as a mentor, read to students, help in the main office, or participate in a parent organization, there is a place for you to share your time, enthusiasm, and talents with students.

- » Visit fwisd.volvy.org
