

Dear Families,

On Sept. 27<sup>th</sup>, we will be hosting our annual Career Day. We can't wait to introduce your children to professionals from many different types of careers!

On this day, we invite students to dress up as what they would like to be when they grow up. Some choices include:

- |                 |                      |
|-----------------|----------------------|
| Doctors         | Architects           |
| Nurses          | Artists              |
| Teachers        | Coaches              |
| Lawyers         | Construction Workers |
| Judges          | Dentists             |
| Police Officers | Disc Jockey          |
| Firemen         | Football Player      |

Please help your child decide what they would like to dress up as. They will still need to be prepared to go to PE and recess.. If you have any questions, please contact me. As always, thank you for your support.

Sincerely,  
Nicholas Simmons  
School Counselor
