

BMHS 6th Grade Parents 2022-2023

Students that are currently in the 6th grade will need the following state-mandated immunizations for enrollment into the 7th grade:

1. One dose of the Meningococcal Vaccine
2. One booster dose of Tetanus, Diphtheria, and acellular pertussis-containing vaccine (Tdap)
3. Two doses of Varicella Vaccines (or proof of chickenpox disease)

Please check your student's shot records and if they have received these immunizations send them to the school so that we can update their records.

If they have not received these shots, please take your child to obtain these immunizations and send the record to the school nurse as soon as you are able.

If you have any questions please call our school nurse at 817-815-7120.

Thank you
