

FORT WORTH INDEPENDENT SCHOOL DISTRICT
Health Services Department

ILL Student Criteria

Dear Parent/Guardian:

The purpose of this letter is to inform you that the FWISD Health Services Department has revised our "Ill Student Criteria" to include signs and symptoms of COVID-19. Therefore, in an effort to prevent the spread and control of communicable diseases, parents should use the following criteria to decide when to keep their child home from school.

- Fever 100.0 F or greater
- Body aches
- Chills
- Cough
- Sore throat
- Severe Headache
- Rash
- Shortness of Breath
- Difficulty breathing
- Loss of taste or smell
- Nausea/Vomiting/Diarrhea

The student may not return to school until he/she is fever free for 24 hours without the use of fever suppressing medications. If the fever persists for more than two days or symptoms become worse, please consult with your health care provider.
