Student Learning Recovery Plan
Utilizing American Rescue Plan Elementary and Secondary School Emergency Relief (ARP. ESSER) III Funds and Other Resources

Fort Worth ISD Board of Education Meeting
Tuesday, June 22, 2021
What is ESSER III?

The Coronavirus Aid, Relief, and Economic Security (CARES) Act was enacted on March 27, 2020, and included Elementary and Secondary School Emergency Relief (ESSER) III Funds for K-12 schools.

ESSER III funds will provide school districts with emergency funds to address the impact of COVID-19 on schools.

$12,418,588,778

is available school districts in Texas

$261,640,223

Fort Worth ISD Total Allocation Amount
What are the requirements?

The District must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of our plan.

A plan for the safe return to in-person instruction and continuity of services is required.

This is federal money with associated rules and regulations, which include financial support (effort) and equity requirements.
How can the funds be used?

These funds are designated for one-time or short-term spending to address learning recovery and the ongoing impact of the pandemic.

It is recommended that the funds be used for one-time or short-term types of expenses.

Long-term uses of the ESSER III funds is also allowable, but districts must consider how to support long-term costs after the funding ends.

- 2020-21: 41.9%
Credit Recovery Teams

- Credit recovery programs help schools graduate more students by giving students who have fallen behind the opportunity to ‘recovery’ lost credits.

- The District uses an Early Warning System to identify students that are off track for graduation and at risk of dropping out.

- The system monitors the following categories:
  - Grades (3rd and 6th six weeks)
  - Credits
  - Attendance
  - Discipline
  - EOC Exam
Credit Recovery Teams

- Credit Recovery Teams at High Schools and Middle Schools
- High School Teams Include: 4 Teachers per Grade Level and 1 Administrator
- Middle School Teams Include: 4 Teachers and 1 Administrator
- Team members will receive a stipend for monitoring the Early Warning System and providing plans and interventions to students in need (identified case load).

Preparing ALL students for success in college, career, and community leadership.
